

BUT WHY

A Learning Guide

Best for Kindergarten to Grade 3

But Why is a podcast led by you, kids! It's a big interesting world out there. Kids all over the world send us questions, and we find the answers. We've created these learning guides to be used in a classroom setting or at home. Listen to each episode and use this guide to deepen your understanding of what you've heard.

Find more episodes at butwhykids.org.

Why am I afraid of the dark?

BIG QUESTION: Why do things seem more scary in the dark, even though they are the same things you see when it's light? -Scout, age 8

Human's visual sense is very important to them. When this is taken away, when it is dark, the brain tends to wander and imagine what might not be there. Draw or write about a time this happened to you.

Draw or write
in the box.
